If your Application for Admission is approved by the Court, you will be able to use one of these stored payment methods to pay your attorney admission fee. Check the **Admissions fees default** box next to the payment method you will want to use. **The fee will not be charged, however, until the Court approves your application and requests that you authorize payment.** (You will be able to change payment methods or add a new one at that time).

Payment Information

NOTE: Not all courts accept ACH payments. If the court to which you are making a payment does not accept ACH, then ACH payments will not be available as an option during payment. In addition, the PACER Service Center does not accept ACH payments for PACER (case search) fees.

This section is optional. If you do not enter payment information here, you may do so later by selecting the **Make One-Time PACER Fee Payment** option under the **Payments** tab.
