

HOW TO E-FILE COURT REPORTER REQUEST FOR EXTENSION OF TIME TO FILE TRANSCRIPTS BEYOND 30 DAY FIXED PERIOD

Duties of Court Reporters; Extensions of Time - 11th Cir. R. 11-1 states in part:

The court reporter shall notify the ordering party and the clerk of this court at the time that ordered transcripts are filed in the district court. A court reporter who requests an extension of time for filing the transcript beyond the 30 day period fixed by FRAP 11(b) shall file an application with the clerk of the court of appeals on a form provided by the clerk of this court and shall specify in detail the amount of work that has been accomplished on the transcript, list all outstanding transcripts due to this and other courts and the due date for filing each and set forth the reasons which make an extension of time for filing the transcript appropriate. **Court reporters must file the application using this court's Electronic Case Files (ECF) system, unless the court exempts the court reporter from the electronic filing requirements upon motion and a showing of good cause.** The court reporter shall certify that the court reporter has sent a copy of the application to the district judge who tried the case and to all counsel of record. In some cases this court may require written approval of the request by the appropriate district judge. The clerk of the court of appeals shall also send a copy of the clerk's action on the application to the appropriate district judge. If the court reporter files the transcript beyond the 30 day period fixed by FRAP 11(b) without having obtained an extension of time to do so, the clerk of the court of appeals shall so notify the appropriate district judge.
