

Login.gov

Starting with the 6.10 eVoucher release, attorneys and experts are required to use Login.gov to securely sign in to the eVoucher application. Login.gov provides a simple, secure, and private way to access government websites such as eVoucher. Using one account email address and password, you can securely sign in to participating government websites and verify your identity. To access your eVoucher account, you must have a Single Login Profile (SLP) and create or sign in to an existing Login.gov account.

Note: Login.gov is a separate application from eVoucher. If you run into any issues, you **must** contact Login.gov support via their Help center page at <https://www.login.gov/contact>.

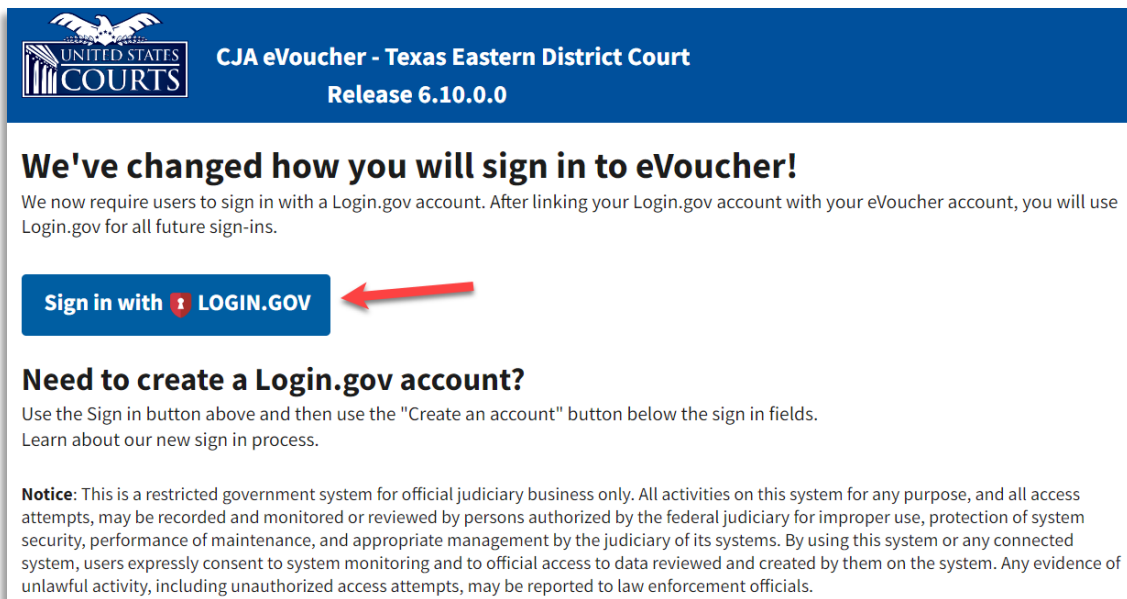

For more information about Login.gov or helpful tips for creating your account, please visit:
<https://login.gov/what-is-login/>
<https://login.gov/create-an-account/>

Create a Login.gov Account

Step 1

If you are accessing eVoucher for the first time after Login.gov integration, you will be directed to create a Login.gov account.

On the eVoucher sign-in page, click **Sign in with LOGIN.GOV**.

CJA eVoucher - Texas Eastern District Court
Release 6.10.0.0

We've changed how you will sign in to eVoucher!
We now require users to sign in with a Login.gov account. After linking your Login.gov account with your eVoucher account, you will use Login.gov for all future sign-ins.

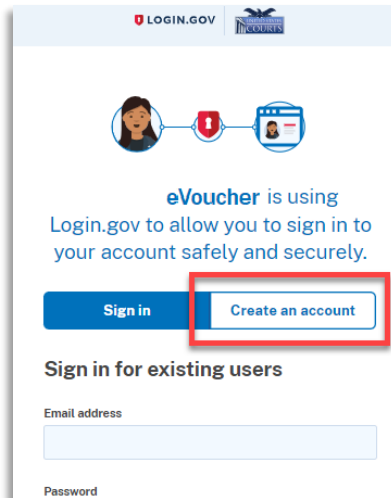

Sign in with  LOGIN.GOV

Need to create a Login.gov account?
Use the Sign in button above and then use the "Create an account" button below the sign in fields.
Learn about our new sign in process.

Notice: This is a restricted government system for official judiciary business only. All activities on this system for any purpose, and all access attempts, may be recorded and monitored or reviewed by persons authorized by the federal judiciary for improper use, protection of system security, performance of maintenance, and appropriate management by the judiciary of its systems. By using this system or any connected system, users expressly consent to system monitoring and to official access to data reviewed and created by them on the system. Any evidence of unlawful activity, including unauthorized access attempts, may be reported to law enforcement officials.

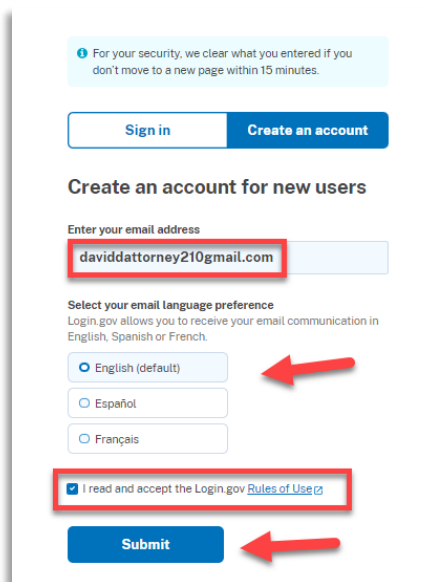

Step 2

On the Login.gov page, click **Create an account**, and then follow the prompts to begin creating your account.

A screenshot of the Login.gov homepage. At the top, there are logos for LOGIN.GOV and eVoucher. Below the logos, a message states: "eVoucher is using Login.gov to allow you to sign in to your account safely and securely." There are two buttons: "Sign in" and "Create an account". The "Create an account" button is highlighted with a red rectangular box. Below the buttons, there is a section titled "Sign in for existing users" with input fields for "Email address" and "Password".**Step 3**

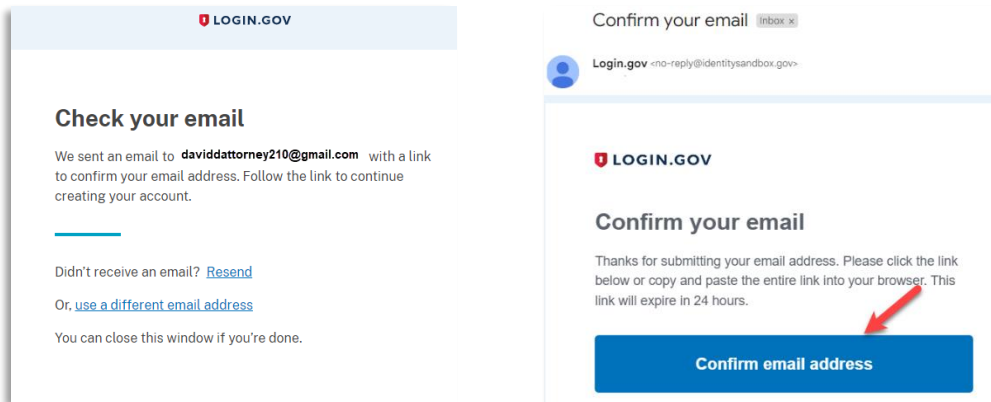

Enter your email address, and select your email language preference. Click the **Rules of Use** link, read the Login.gov Rules of Use, and then select the **I read and accept the Login.gov Rules of Use** check box. Then click **Submit**.

Note: Login.gov recommends that you enter a personal email address that you can always access, not a work email address.

A screenshot of the "Create an account for new users" form on Login.gov. At the top, there is a security notice: "For your security, we clear what you entered if you don't move to a new page within 15 minutes." Below this are "Sign in" and "Create an account" buttons. The "Create an account" button is highlighted with a red box. The form title is "Create an account for new users". Below the title, there is a section "Enter your email address" with a text input field containing "davidattorney210gmail.com", which is highlighted with a red box. Below that is a section "Select your email language preference" with three radio buttons: "English (default)", "Español", and "Français". The "English (default)" button is highlighted with a red box, and a red arrow points to it. Below the language selection, there is a checkbox labeled "I read and accept the Login.gov Rules of Use" with a link to the rules. This checkbox is checked and highlighted with a red box. At the bottom is a "Submit" button, which is also highlighted with a red box and has a red arrow pointing to it.

Step 4

You will receive an email message at the email address you entered in step 3. In the email message, click **Confirm email address**, and then continue creating your account.

**Step 5**

Next, create a password. It must contain 12 or more characters and cannot include commonly used words or phrases. In the **Password** and **Confirm password** fields, enter and confirm your password, and then click **Continue**.

The screenshot shows the 'Create a strong password' page. At the top, a green banner says 'You have confirmed your email address'. Below it, the heading is 'Create a strong password'. A note states: 'Your password must be 12 characters or longer. Don't use common phrases or repeated characters, like abc or 111.' There are two input fields: 'Password' and 'Confirm password'. Both fields contain masked characters (dots). A red rectangular box highlights both of these input fields. Below the fields is a checkbox labeled 'Show password' which is currently unchecked. At the bottom is a blue 'Continue' button.

Your Login.gov account is now created.

Note: Once your Login.gov setup is complete, you will ONLY use the email address you entered and the password you created in Login.gov to access eVoucher, so it is important to remember them. You are now directed to add an authentication method. For more information on how to do this, view the Adding an Authentication Method job aid.

Adding an Authentication Method

Login.gov requires that you set up at least one authentication method when creating your account. However, it is recommended that you select **at least two authentication methods** on different devices so that you have an alternative way(s) to sign in to eVoucher if your primary method becomes unavailable.

Step 1

Select your first method of authentication, and then click **Continue**. Authentication methods include security keys, government employee IDs, authentication applications, text or voice messages, or backup codes.

Note: Every time you sign in to eVoucher you are required to authenticate, so make sure you use an authentication method that's easy for you to access.

Authentication method setup

Add another layer of security by selecting a multi-factor authentication method. We recommend you select at least (2) two different options in case you lose one of your methods.

- ☐ **Security key**
A physical device, often shaped like a USB drive, that you plug in to your device.
- ☐ **Government employee ID**
PIV/CAC cards for government and military employees. Desktop only.
- ☐ **Authentication application**
Download or use an authentication app of your choice to generate secure codes.
- ☐ **Text or voice message**
Receive a secure code by (SMS) text or phone call.
- ☐ **Backup codes**
A list of 10 codes you can print or save to your device. When you use the last code, we will generate a new list. Keep in mind backup codes are easy to lose.

Continue

- For the text or voice message option, you must provide your phone number to receive a one-time code by text message or phone call.
- For the authentication application option, you can use several applications such as Google Authenticator, DUO, etc.

Step 2

Authenticate your account using your chosen authentication method, and then click **Send code**.

LOGIN.GOV

U.S. COURTS

Add a phone number

We'll send you a one-time code each time you sign in.

Your chosen authentication method will be shown here.

Message and data rates may apply. Do not use web-based (VOIP) phone services or premium rate (toll) phone numbers.

Phone number

(555)555-5555

How you'll get your code

☒ Text message (SMS) ☐ Phone call

You can change this anytime. If you use a landline number, select "Phone call."

Send code

Step 3

In the **One-time code** field, enter the one-time code sent to you, and then click **Submit**.

Enter your one-time code

We sent a text (SMS) with a one-time code to +1 555-555-5555. This code will expire in 10 minutes.

One-time code
Example: 123456

555555

☐ Remember this browser

Submit

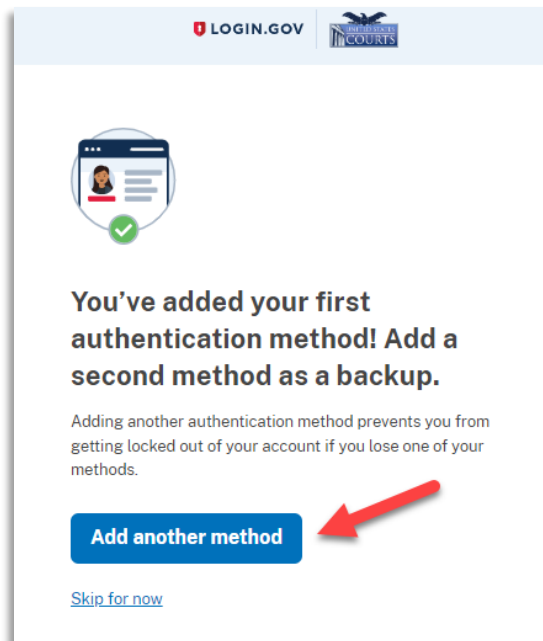

[Send another code](#)

Having trouble? Here's what you can do:

Step 4

Once your code has been successfully authenticated, you are prompted to add another authentication method (recommended). Click **Add another method** and follow the previous steps to create a second authentication method.

Note: It is recommended that you use a different device for your second authentication method, even if you choose the same setup option. For example, if you chose text or voice message as your first method, you can do the same for the second, as long as you use a different phone number.

You have now added at least one authentication method to your Login.gov account. If you have not already verified your identity with Login.gov, see the Identity Verification job aid. If you are ready to link to eVoucher from Login.gov, see the Linking your eVoucher Account with your Login.gov Account job aid for further instructions.

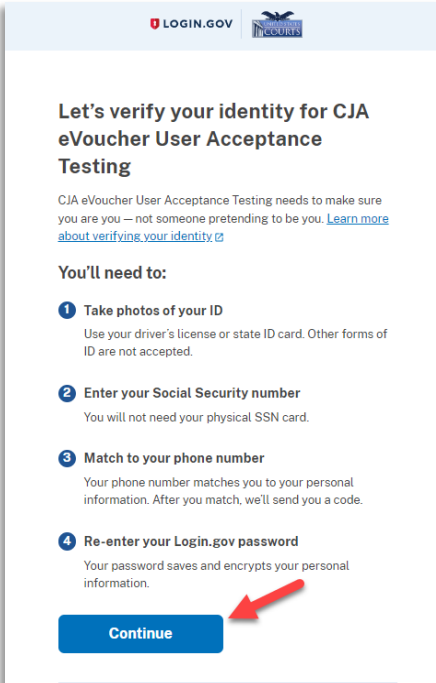

Identity Verification

Before you receive access to eVoucher through Login.gov, you must verify your identity by uploading an acceptable form of identification (driver's license or state ID). This added security measure is to ensure that you are you and not someone pretending to be you.

Note: This is a one-time identity verification; if you have previously proven your identity through Login.gov, you are not required to do this again.

Step 1

After signing in to Login.gov, you are asked to verify your identity. If you're in the process of creating your Login.gov account, this step automatically appears after you've established your multi-factor authentication method(s). Click **Continue**.

The screenshot shows the Login.gov interface for identity verification. At the top, there are logos for LOGIN.GOV and the Department of Justice. The main heading is "Let's verify your identity for CJA eVoucher User Acceptance Testing". Below this, a paragraph explains that CJA eVoucher User Acceptance Testing needs to make sure you are you — not someone pretending to be you, with a link to "Learn more about verifying your identity". Under the heading "You'll need to:", there are four numbered steps: 1. Take photos of your ID (with a note that only driver's license or state ID are accepted), 2. Enter your Social Security number (with a note that a physical SSN card is not needed), 3. Match to your phone number (with a note about matching to personal information and receiving a code), and 4. Re-enter your Login.gov password (with a note about saving and encrypting personal information). At the bottom, there is a blue "Continue" button, which is highlighted by a red arrow.

LOGIN.GOV

Let's verify your identity for CJA eVoucher User Acceptance Testing

CJA eVoucher User Acceptance Testing needs to make sure you are you — not someone pretending to be you. [Learn more about verifying your identity](#)

You'll need to:

- 1 Take photos of your ID
Use your driver's license or state ID card. Other forms of ID are not accepted.
- 2 Enter your Social Security number
You will not need your physical SSN card.
- 3 Match to your phone number
Your phone number matches you to your personal information. After you match, we'll send you a code.
- 4 Re-enter your Login.gov password
Your password saves and encrypts your personal information.

Continue

Step 2

To continue, select the check box allowing Login.gov to ask for, use, keep, and share your personal information to verify your identity, and click **Continue**.

Getting started Verify your ID Verify your information Verify phone or address Secure your account

How verifying your identity works

Identity verification happens in two parts:

Verify your identity

We'll ask for your personal information to verify your identity against public records.

Secure your account

We'll encrypt your account with your password. Encryption means your data is protected and only you will be able to access or change your information.

☒ By checking this box, you are letting Login.gov ask for, use, keep, and share your personal information. We will use it to verify your identity.

Step 4

Once your identity has been verified, Login.gov verifies your name, date of birth, and address using your Social Security number (SSN). In the **Social Security number** field, enter your SSN, and then click **Continue**.

The screenshot shows the Login.gov verification interface. At the top, there's a progress bar with five steps: 'Getting started' (checked), 'Verify your ID' (checked), 'Verify your information' (current step, highlighted with a green circle), 'Verify phone or address' (unchecked), and 'Secure your account' (unchecked). Below the progress bar, a green message box says 'We verified your ID'. The main heading is 'Enter your Social Security number'. Below this, it says 'We need your Social Security number to verify your name, date of birth and address. [Learn more about how we protect your sensitive information](#)'. A section titled 'Don't have a Social Security number?' explains that a SSN is required to finish verifying identity and provides a link to 'Exit Login.gov and return to CJA eVoucher User Acceptance Testing'. The 'Social Security number' input field is highlighted with a red rectangle. It shows an example '123-45-6789' and a masked input field with dots. Below the input field is a checkbox labeled 'Show Social Security number'. At the bottom, a blue 'Continue' button is highlighted with a red arrow.

Step 5

Your name, date of birth, and address are imported from your ID; verify the information is correct. If any of the information has errors, click the **Update** link next to it and make necessary corrections. Once your information is correct and complete, click **Submit**.

Note: You have five attempts to verify your personal information, after which your account will be locked. To unlock your account, contact Login.gov.

The screenshot shows the 'Verify your information' step in the Login.gov process. At the top, a progress bar indicates five steps: 'Getting started', 'Verify your ID', 'Verify your information' (current step), 'Verify phone or address', and 'Secure your account'. The main heading is 'Verify your information'. Below it, a message states: 'We read your information from your ID. Review it and make any updates before submitting for verification.' The form displays the following information: First name: FAKEY, Last name: MCFAKERSON, Date of birth: October 6, 1938, ID number: 111111111111. Below this, there are fields for Address line 1: 1 FAKE RD, Address line 2, City: GREAT FALLS, State: MT, and ZIP Code: 59010. To the right of each of these fields is an 'Update' link. Below the address section, the Social Security number is shown as 5**-**-****5, with an 'Update' link to its right. There is a checkbox labeled 'Show Social Security number' which is currently unchecked. At the bottom of the form is a blue 'Submit' button. A red arrow points to the 'Submit' button.

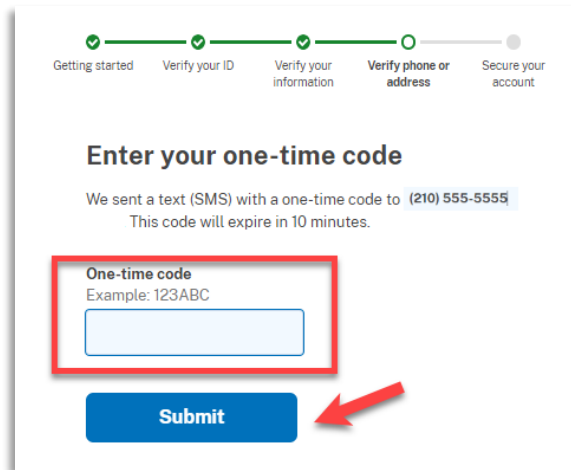

Step 6

Next, verify your phone number. To do this, in the **Phone number** field, enter your phone number, and then click the appropriate radio button to receive a one-time code either by text message or phone call. Click **Send code**.

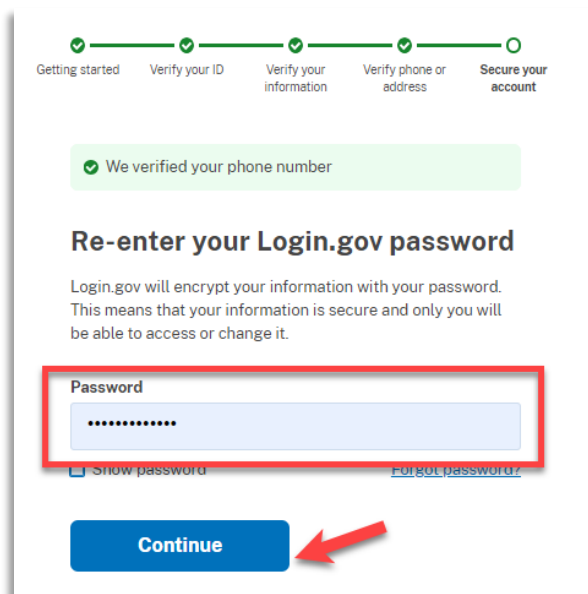

The screenshot shows the 'Verify your phone number' step in the Login.gov process. At the top, a progress bar indicates five steps: 'Getting started', 'Verify your ID', 'Verify your information' (completed), 'Verify phone or address' (current step), and 'Secure your account'. A green banner at the top says 'We verified your information'. The main heading is 'Verify your phone number'. Below it, a message states: 'We'll check this number with records and send you a one-time code. This is to help verify your identity.' There is a section titled 'Enter a phone number that is:' with two bullet points: 'Based in the United States (including U.S. territories)' and 'Your primary number (the one you use the most often)'. Below this is a link: 'Learn more about what phone number to use'. The 'Phone number' field is highlighted with a red box and contains the text '(210) 555-5555'. Below the phone number field is a section titled 'How should we send a code?' with the instruction: 'If you entered a landline above, please select "Phone call" below.' There are two radio buttons: 'Text message (SMS)' (selected) and 'Phone call'. At the bottom of the form is a blue 'Send code' button. A red arrow points to the 'Send code' button.

Step 7

In the **One-time code** field, enter the code sent to your device, and then click **Submit**.

**Step 8**

Once your phone number is verified, re-enter the password you created to access Login.gov and then click **Continue**.

Step 9

A personal key is generated. You will need this key if you ever forget your password or lose your authentication method. Keep your key in a secure place and do not share it with anyone. Select the check box to confirm that you have saved your personal key, and then click **Continue**.

⚠ [Add a second authentication method](#). You will have to delete your account and start over if you lose your only authentication method.

Agree and continue

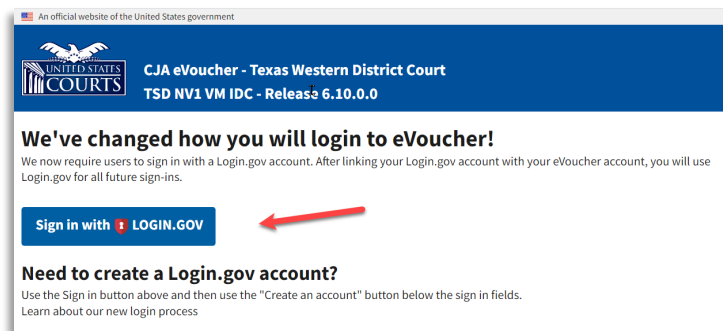

Your Login.gov account is now verified. For instructions on adding an authentication method, view the **Adding an Authentication Method** job aid. To continue linking your Login.gov account to your eVoucher account, view the **Linking your eVoucher Account with your Login.gov Account** job aid and begin at Step 4.

Linking Your eVoucher Account to Your Login.gov Account WITHOUT Your SLP Email Address

If you already have a Login.gov account, you must link it to your eVoucher Single Login Profile (SLP) account to sign in to eVoucher. **Note:** Skip to step 4 if you have already signed in to Login.gov.

Step 1

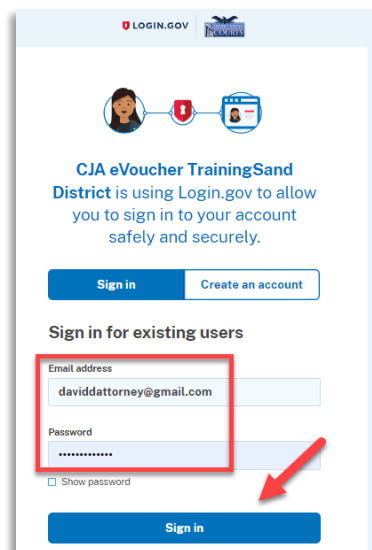

From your court's eVoucher sign in page, click **Sign in with LOGIN.GOV**.

Step 2

You are taken to the Login.gov website, where you can sign in or create an account. If you have not created your Login.gov account, review the Creating a Login.gov Account job aid before continuing.

The website defaults to the sign in view. In the **Email address** field, enter the email address used to create your Login.gov account, and then in the **Password** field, enter your password. Click **Sign in**.

Step 3

In the **One-time code** field, enter the one-time code sent to your device using your chosen authentication method, and then click **Submit**.

Enter your one-time code

We sent a text (SMS) with a one-time code to (***) ***- 5555
This code will expire in 10 minutes.

SDSO Training Sandbox - Release 6.10.0.0

i Check your email

An email has been sent to davidattorney@firm.com with a link to confirm your email address. Follow the link to continue creating your single login profile.

Step 2

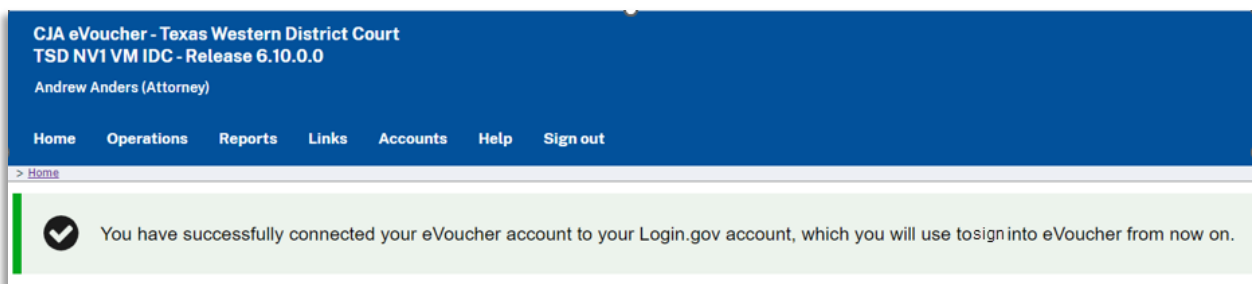

In the **eVoucher Password** field, enter your eVoucher SLP password (the password you normally use to access eVoucher), and then click **Connect Accounts**. If you don't remember your password, click the **Forgot your password?** link and follow the security question prompts. If you enter your password incorrectly six times or fail your security questions three times, your account locks and you must contact your eVoucher administrator.

The screenshot shows the 'Link eVoucher Account with Login.gov Account' page. At the top is a blue header with the United States Courts logo and the text 'CJA eVoucher - Texas Western District Court' and 'SDSO Training Sandbox - Release 6.10.0.0'. Below the header, the title 'Link eVoucher Account with Login.gov Account' is followed by instructions: 'Enter the password for your eVoucher account to connect your eVoucher account with you. After completing this step, you will sign in using Login.gov going forward.' A note states: 'Note: Please contact an eVoucher administrator for assistance. This is NOT the password you use to access eVoucher.' A red rectangle highlights the 'eVoucher Password' input field, which contains a masked password '*****'. Below the field is a blue button labeled 'Connect Accounts'. At the bottom, a notice states: 'Notice: This is a restricted government system for official judiciary business only. All activities, access attempts, may be recorded and monitored or reviewed by persons authorized by the protection of system security, performance of maintenance, and appropriate management system or any connected system, users expressly consent to system monitoring and to offi them on the system. Any evidence of unlawful activity, including unauthorized access attempt officials.'

Step 3

If your Login.gov account is successfully linked to your eVoucher account, a success message appears at the top of your eVoucher home page. Continue to use eVoucher normally.

The screenshot shows the eVoucher home page. The header is blue and contains the text 'CJA eVoucher - Texas Western District Court', 'TSD NV1 VM IDC - Release 6.10.0.0', and 'Andrew Anders (Attorney)'. Below the header is a navigation bar with links: 'Home', 'Operations', 'Reports', 'Links', 'Accounts', 'Help', and 'Sign out'. The main content area has a green background and a success message: 'You have successfully connected your eVoucher account to your Login.gov account, which you will use to sign into eVoucher from now on.'

You have now linked your eVoucher account with your Login.gov account. For all future use, sign in to Login.gov to access eVoucher.
