IN RE: The Complaint of \_\_\_\_\_ against \_\_\_\_\_, U.S. District Judge for the U.S. District Court for the \_\_\_\_\_ District of \_\_\_\_\_, under the Judicial Conduct and Disability Act of 1980, Chapter 16 of Title 28 U.S.C. §§ 351-364.

**ORDER**

\_\_\_\_\_ (“Complainant”) has filed this Complaint against United States District Judge \_\_\_\_\_ (the “Subject Judge”), pursuant to Chapter 16 of Title 28 U.S.C. § 351(a) and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States (“JCDR”).

Background

The record shows that in August 2016 Complainant filed in the district court a pro se “Petition for a Writ of Mandamus . . . and Complaint” challenging a certain statute, and he also filed a motion for leave to proceed in forma pauperis (IFP). Later that month, the Subject Judge entered an order denying the IFP motion and dismissing the case with prejudice as frivolous. Complainant filed a notice of appeal and a motion to proceed IFP on appeal, and the Subject Judge denied the IFP motion.

Complaint

In his Complaint of Judicial Misconduct or Disability, Complainant takes issue with the Subject Judge’s denial of his IFP motion and dismissal of his case with prejudice. Complainant contends that those rulings denied him the right of access to the courts and denied him appellate review of his claims. He states that he believes the Subject Judge “has either engaged in a malicious, and bias misconduct or may indeed have some type of mental disability, and is unable to function effectively.” Complainant attached documents to his Complaint.

Discussion

Rule 3(h)(3)(A) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States provides that cognizable misconduct does not include “an allegation that is directly related to the merits of a

decision or procedural ruling.” The Rule provides that “[a]n allegation that calls into question the correctness of a judge’s ruling, including a failure to recuse, without more, is merits-related.” Id. The “Commentary on Rule 3” states in part:

Rule 3(h)(3)(A) tracks the Act, 28 U.S.C. § 352(b)(1)(A)(ii), in excluding from the definition of misconduct allegations “[d]irectly related to the merits of a decision or procedural ruling.” This exclusion preserves the independence of judges in the exercise of judicial power by ensuring that the complaint procedure is not used to collaterally attack the substance of a judge’s ruling. Any allegation that calls into question the correctness of an official action of a judge—without more—is merits-related.

To the extent Complainant’s allegations concern the substance of the Subject Judge’s findings, rulings, and orders entered in the case, the allegations are directly related to the merits of the Subject Judge’s decisions or procedural rulings. Apart from the decisions or procedural rulings that Complainant challenges, he provides no credible facts or evidence in support of his claims that the Subject Judge acted maliciously, was biased against him, suffers from a mental disability, or otherwise engaged in misconduct.

The allegations of this Complaint are “directly related to the merits of a decision or procedural ruling,” JCDR 11(c)(1)(B), and the Complaint “is based on allegations lacking sufficient evidence to raise an inference that misconduct has occurred or that a disability exists,” JCDR 11(c)(1)(D). For those reasons, pursuant to Chapter 16 of Title 28 U.S.C. § 352(b)(1)(A)(ii) and (iii), and Rule 11(c)(1)(B) and (D) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States, this Complaint is **DISMISSED**.
