Judicial Complaint No. 11-22-90168

---

ORDER

An individual has filed a Complaint against a United States circuit judge under the Judicial Conduct and Disability Act of 1980, 28 U.S.C. §§ 351–364, and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States.

As an initial matter, after Complainant filed his Complaint, he filed a supplemental statement. The filing of the supplemental statement is permitted. *See* 11th Cir. JCDR 6.7.

**Background**

The record shows that the Subject Judge issued orders in two separate judicial-complaint matters filed by Complainant.

### Complaint

Complainant asserts the Subject Judge denied him his due process rights because he never received the order issued in his first judicial-complaint matter and because he was not notified upon the filing of his second judicial complaint. He asserts the Subject Judge tried to dismiss his complaints without his knowledge.

### Supplement

In Complainant's supplemental statement, he reiterates his allegations.

### Discussion

The Complaint fails to present a basis for a finding of misconduct. Complainant's claims are based on allegations lacking sufficient evidence to raise an inference that the Subject Judge engaged in misconduct. Judicial-Conduct Rule 11(c)(1)(D). For that reason, this Complaint is **DISMISSED**.
