CONFIDENTIAL

Before the Chief Judge of the
Eleventh Judicial Circuit

Judicial Complaint No. 11-23-90111

ORDER

An individual has filed a Complaint against a United States magistrate judge under the Judicial Conduct and Disability Act of 1980, 28 U.S.C. §§ 351–364, and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States.

Background

The record shows that in 2023 Complainant filed in state court a civil complaint against multiple defendants, the defendants removed the case to federal court and filed a motion to dismiss, and Complainant filed responses to the notice of removal. The Subject Judge then issued a report recommending that the defendants' motion to dismiss be granted, and the district judge adopted the report and recommendation and dismissed the complaint.

Complaint

Complainant's Complaint is composed of the Subject Judge's report and recommendation filed in the above-described case and other documents. He does not appear to raise any specific allegations against the Subject Judge.

Discussion

The Complaint fails to present a basis for a finding of misconduct. Complainant provides no facts or evidence to raise an inference that the Subject Judge engaged in misconduct. Judicial-Conduct Rule 11(c)(1)(D). For that reason, this Complaint is **DISMISSED**.
