Judicial Complaint No. 11-18-90130

IN THE MATTER OF A COMPLAINT FILED BY _____

IN RE: The Complaint of _____ against _____, U.S. District Judge for the U.S. District Court for the _____ District of _____, under the Judicial Conduct and Disability Act of 1980, Chapter 16 of Title 28 U.S.C. §§ 351-364.

ORDER

_____ ("Complainant") has filed this Complaint against United States District Judge _____ (the "Subject Judge"), pursuant to Chapter 16 of Title 28 U.S.C. § 351(a) and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States ("JCDR").

Background

The record shows that in May 2018 Complainant filed a lawsuit against a company and a motion for leave to proceed in forma pauperis (IFP). The next month, the Subject Judge issued an order dismissing the complaint without prejudice for failure to state a claim and denying the IFP motion as moot. Complainant filed a motion for reconsideration, which the Subject Judge denied.

Complaint

In his Complaint of Judicial Misconduct or Disability, Complainant alleges the Subject Judge dismissed the case "without Just Cause or Grounds to support His Decision." He complains that the Subject Judge "did not investigate or schedule a hearing" to consider arguments or evaluate evidence. Complainant asserts that the Subject Judge's order violated his due process rights and constituted obstruction of justice. He attached documents to his Complaint.

Discussion

Rule 3(h)(3)(A) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States provides that cognizable misconduct does not include "an allegation that is directly related to the merits of a decision or procedural ruling." The Rule provides that "[a]n allegation that calls into

question the correctness of a judge's ruling, including a failure to recuse, without more, is merits-related." Id. The "Commentary on Rule 3" states in part:

> Rule 3(h)(3)(A) tracks the Act, 28 U.S.C. § 352(b)(1)(A)(ii), in excluding from the definition of misconduct allegations "[d]irectly related to the merits of a decision or procedural ruling." This exclusion preserves the independence of judges in the exercise of judicial power by ensuring that the complaint procedure is not used to collaterally attack the substance of a judge's ruling. Any allegation that calls into question the correctness of an official action of a judge—without more—is merits-related.

To the extent Complainant's allegations concern the substance of the Subject Judge's findings and orders in the case, the allegations are directly related to the merits of the Subject Judge's decisions or procedural rulings. Apart from the decisions or procedural rulings that Complainant challenges, he provides no credible facts or evidence in support of his conclusory claims that the Subject Judge obstructed justice or otherwise engaged in misconduct.

The allegations of this Complaint are "directly related to the merits of a decision or procedural ruling," JCDR 11(c)(1)(B), and the Complaint "is based on allegations lacking sufficient evidence to raise an inference that misconduct has occurred or that a disability exists," JCDR 11(c)(1)(D). For those reasons, pursuant to Chapter 16 of Title 28 U.S.C. § 352(b)(1)(A)(ii) and (iii), and Rule 11(c)(1)(B) and (D) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States, this Complaint is **DISMISSED**.
