**BEFORE THE CHIEF JUDGE
OF THE ELEVENTH JUDICIAL CIRCUIT**

Judicial Complaint No. 11-18-90166

IN THE MATTER OF A COMPLAINT FILED BY _____

IN RE: The Complaint of _____ against _____, U.S. District Judge for the U.S. District Court for the _____ District of _____, under the Judicial Conduct and Disability Act of 1980, Chapter 16 of Title 28 U.S.C. §§ 351-364.

ORDER

_____ (“Complainant”) has filed this Complaint against United States District Judge _____ (the “Subject Judge”), pursuant to Chapter 16 of Title 28 U.S.C. § 351(a) and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States (“JCDR”).

Background

The record shows that in September 2018 Complainant filed a lawsuit against multiple defendants and a motion for leave to proceed in forma pauperis (IFP). The next month, the Subject Judge entered an order granting the IFP motion and dismissing the case without prejudice, finding that Complainant’s allegations were “factually frivolous.”

Complaint

In his Complaint of Judicial Misconduct or Disability, Complainant alleges the Subject Judge dismissed his case “without review or fair hearing.”

Discussion

Rule 4(b)(1) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States, “Allegations Related to the Merits of a Decision or Procedural Ruling,” provides in part that “[c]ognizable misconduct does not include an allegation that calls into question the correctness of a judge’s ruling, including a failure to recuse.” The “Commentary on Rule 4” states in part:

Rule 4(b)(1) tracks the Act, 28 U.S.C. § 352(b)(1)(A)(ii), in excluding from the definition of misconduct allegations “[d]irectly related to the merits of a decision or procedural ruling.” This exclusion preserves the independence

of judges in the exercise of judicial authority by ensuring that the complaint procedure is not used to collaterally call into question the substance of a judge's decision or procedural ruling. Any allegation that calls into question the correctness of an official decision or procedural ruling of a judge — without more — is merits-related.

All of Complainant's allegations concern the substance of the Subject Judge's official actions, findings, and order in the case, and the allegations are directly related to the merits of the Subject Judge's decisions or procedural rulings.

The allegations of this Complaint are "directly related to the merits of a decision or procedural ruling," JCDR 11(c)(1)(B). For that reason, pursuant to Chapter 16 of Title 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States, this Complaint is **DISMISSED**.

Chief Judge
