---

IN RE: The Complaint of \_\_\_\_\_ against United States District Judge \_\_\_\_\_ of the United States District Court for the \_\_\_\_\_ District of \_\_\_\_\_, under the Judicial Conduct and Disability Act of 1980, Chapter 16 of Title 28 U.S.C. §§ 351-364.

---

**ORDER**

\_\_\_\_\_ (“Complainant”) has filed this Complaint against United States District Judge \_\_\_\_\_ (the “Subject Judge”), pursuant to Chapter 16 of Title 28 U.S.C. § 351(a) and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States (“JCDR”).

Background

The record shows that in August 2020 Complainant filed a lawsuit against two defendants. Although the Subject Judge is the assigned district judge, he has taken no action in the case. In December 2020 a magistrate judge issued an order directing Complainant to show cause why the case should not be dismissed.

Complaint

In his Complaint of Judicial Misconduct or Disability, Complainant states he heard that he won an out-of-court settlement with one of the defendants in his case, but has “not heard anything from any of these Judges or the district court.” He also states, “They are holding documents and keys that w[ere] turned over to them from” a police station, and he appears to allege that the Subject Judge did not provide him with a certain receipt.

Discussion

Complainant provides no credible facts or evidence in support of a claim that the Subject Judge engaged in misconduct.

The Complaint “is based on allegations lacking sufficient evidence to raise an inference that misconduct has occurred or that a disability exists,” JCDR 11(c)(1)(D).

For that reason, pursuant to Chapter 16 of Title 28 U.S.C. § 352(b)(1)(A)(iii) and Rule 11(c)(1)(D) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States, this Complaint is **DISMISSED**.
