CONFIDENTIAL

Before the Chief Judge of the
Eleventh Judicial Circuit

Judicial Complaint No. 11-26-90092

ORDER

An attorney has filed a Complaint against a United States district judge under the Judicial Conduct and Disability Act of 1980, 28 U.S.C. §§ 351–364, and the Rules for Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States.

Background

The record establishes that the Subject Judge has not presided over any cases involving Complainant.

Complaint

Complainant alleges the Subject Judge is on the Board of Trustees of a certain organization and “endorsed and permitted” the organization director’s “retaliation and censorship of Complainant.” He requests that his Complaint be consolidated with

other complaints and referred directly to the Judicial Conference, and he attached documents to his Complaint.

Discussion

As an initial matter, Complainant's request to consolidate and transfer this matter is **DENIED**. The Complaint fails to present a basis for a finding of misconduct. Complainant's claims are based on allegations lacking sufficient evidence to raise an inference that the Subject Judge endorsed or permitted another individual to retaliate against or censor him. Judicial-Conduct Rule 11(c)(1)(D). For this reason, this Complaint is **DISMISSED**.
